

SEMINGTON PARISH COUNCIL

Minutes of the meeting held on Wednesday 20 January 2010 at 8.00 pm in the Village Hall

Present.

Councillor R Oglesby (Chairman) and Councillors P Bowyer, F Dobbyn, K Lockwood, S Rimmer, R Robinson, B Smyth, P Vooght, C Wade and the Clerk, Roger Coleman.

PCSO Rose Baldock attended (part-time).

There were no members of the public present.

1. Declaration of Interests.

Cllr. Lockwood declared a prejudicial interest in Planning application 09/03469. There were no other interests declared in accordance with the Revised Model Code of Conduct.

2. Apologies.

All parish councillors were present.

The Clerk reported that Wiltshire Councillor Seed had indicated his intention to attend but Cllr. Seed's attendance at another meeting might delay his arrival.

3. Minutes of the Ordinary Parish Council Meeting held on 23 November 2009.

The minutes were agreed and signed as a true and accurate record.

4. Adjournment.

In the absence of any members of the public, the meeting continued without an adjournment.

5. Neighbourhood Policing.

PCSO Baldock reported that there is currently a spate of burglaries locally – especially in Trowbridge and Melksham and she advised everyone to remain vigilant. She added that farms appear to have been targeted with reports of horse tack having been stolen.

Cllr. Bowyer agreed to contact the editor of Semington Newsletter and to request that an article warning of the burglars and asking residents to be vigilant and to report any suspicious behaviour be placed in the Newsletter.

Cllr. Bowyer stated that he had attended the recent Melksham Parish Council Liaison Group meeting but there was nothing significant to report.

PCSO Baldock confirmed that the Blus and Zus Club at Melksham continues to take place on a Friday night and that youngsters from Semington are most welcome to attend.

There were no matters raised by councillors.

6. Planning.

a. Councillors Smyth reported that the recent Appeal hearing in relation to Littleton Stables (Planning application 09/0040) concerning a Mobile Home/Day Room had been allowed, although the judgement had been accompanied by a lengthy narrative, some of which was very critical of the manner in which Wiltshire Council Development Control officers had dealt with this planning application. Cllr. Rimmer insisted that the main problem was that Wiltshire Council had failed to address the allocation of Traveller sites within Wiltshire and that Semington and other villages were suffering as a result with opportunism on the part of travellers allowing Wiltshire Council to become relaxed on the subject of providing official sites. Cllr. Dobbyn stated that such sites are being

acquired, or provided, by default because of the ineptitude by Wiltshire Council who, in his view, has chosen to avoid the difficult task of identifying and providing official sites. He argued that Wiltshire Council has been put off its legally required task of providing sites because of the potential of significant local controversy. Cllr. Dobbyn stated that Semington and other communities needed to be proactive in identifying and adopting a strategy for preventing 'illegal' residential occupation similar to that at Littleton. Cllr. Rimmer argued that Wiltshire Council must continue to be pressurised to provide its quota of 'official' Traveller sites in the County. Cllr. Oglesby read out a possible statement to be sent to the Wiltshire Times and to each Wiltshire councillor. The draft statement read (shown in italics):

Appeal Decision – Littleton Stables.

- *Concern that the appeal has not supported WC in enforcing planning control.*
- *Stating that there is now an urgent need for WC to now implement and deliver ASP the provision of travellers' sites in the county so that lack of provision cannot be used to allow temporary use of sites as has happen with this appeal.*
- *Provided WC is able to provide these site then the two current sites in Semington can revert to their original use as per the Planning enforcement directions in 2 and 3 years respectively.*

The Council resolved unanimously to release a statement along the lines of the draft statement above. The Clerk was asked to draft an appropriate statement and to circulate it to all parish councillors for agreement prior to its release.

b. Planning applications:

09/03542/FUL	Motel Field	'Care Village'	NEW
09/03469	Land west of West Wilts Crematorium	Playing Field	NEW

The Council noted that there was to be a Parish Council Planning meeting on 27 January 2010 at which these two applications were to be discussed and observations agreed that would be sent to Wiltshire Council. However, initial comments in relation to the 'Care Village' proposed that in view of the significant development that it represents, and the impact that it will have on the village, it would be reasonable for the developers to make a contribution to improve the community facilities in Semington, such as improvements to the Village Hall (e.g. disabled toilets). Such facilities would also be available to the residents of the 'Care Village'.

Cllr. Lockwood withdrew from the meeting.

There ensued a brief discussion on Planning application 09/03469 at the end of which councillors indicated their support for this application.

Cllr. Lockwood returned to the meeting.

c. There were no planning applications received after 13 January 2010.

7. Highways.

a. Cllrs. Lockwood and Vooght reported that there were two Grit Bins missing in the village – one at St George's Road (High Street end) and one in the Village Hall Car Park. The Clerk was asked to contact Wiltshire Council and to request their return.
